

American Heart Association®
Certified Care™
**Skilled Nursing Facility
Heart Failure**

BIRCH CREEK
POST ACUTE & REHABILITATION

Birch Creek is thrilled to announce that **we have been awarded Heart Failure Certification** from the American Heart Association. This prestigious recognition underscores our dedication to providing the highest quality care for patients with heart failure.

What does this mean for our patients?

- **Enhanced Care:** Our comprehensive cardiac care programs are designed to improve patient outcomes and facilitate a smoother transition from hospital to home.
- **Improved Outcomes:** Reduced hospital readmission rates and shorter length of stay contribute to better overall health and quality of life for our patients.
- **Access to Expertise:** As a certified facility, we benefit from a national network of experts sharing best practices and support.
- **Continuous Learning:** Our team has access to valuable educational resources and consultative services from the American Heart Association.

**Birch Creek is proud to be a leader
in heart failure care.**
